GPATS TIP AMENDMENT

PUBLIC NOTICE

The Greenville-Pickens Area Transportation Study (GPATS) pursuant to the requirements of the Fixing America's Surface Transportation Act (FAST Act), gives notice of the following action. Effective April 24, 2022, GPATS will accept public review and comments on adoption of the 2023 - 2028 Greenville-Pickens Area Transportation Study (GPATS) Transportation Improvement Program (TIP). This TIP outlines the federally funded transportation projects that GPATS is considering for the next four (4) years and serves as our plan to improve transportation services in the Greenville-Pickens community. The TIP also includes funding to support public transit services provided by Clemson Area Transit (CAT) & Greenville Transit Authority (GTA) dba Greenlink within the Greenville urbanized area.

Public review and comments will be received until May 16, 2022 or 21 days from the effective date of this notice. Copies of the document and additional information concerning this action are available upon request at the address cited below.

This public notice and the time established for public review of and comments on the TIP satisfies CAT & GTA's Section 5307 Program of Project (POP) requirements.

Written comments may be sent to:
