[Program of Projects (PoP): A list of projects to be funded in a grant application submitted to FTA by a state or designated recipient. The Program of Projects (PoP) lists the sub-recipients and indicates whether they are private nonprofit agencies or local governmental authorities, designates the areas served (including rural areas), and identifies any tribal entities. In addition, the PoP includes a brief description of the projects, total project cost, and federal share for each project, and the amount of funds used for program administration from the 10 percent allowed.]

Projects to be Funded and Implemented

Two-thirds of the \$ 5310 funding is set aside for Greenlink, \$358,617.⁰⁰ for FY 2024 and \$ 365,000⁰⁰ for FY 2025. Currently, of the 5310 funds leftover, there is \$70,792.⁰⁰ from FY 2024, and \$182,500⁰⁰ from FY 2025 for Non-Profit Transportation Providers. GPATS can hold onto funding that goes back as far as three years. Any unused funding outside the three-year window is returned to the US Treasury.

Currently, [Table 1](#) shows the projects that have been evaluated and ranked.
